Two-Day Workshop on on Enhancing Scientific Publications in Pharmacopoeial Science and Pharmacovigilance

9th-10th April, 2026
09:00 am onwards

Indian Pharmacopoeia Commission (IPC)
Ghaziabad

THE WORKSHOP AIMS TO:

- Strengthen scientific writing and publication skills
- Promote ethical publication practices and data integrity
- Enhance understanding of evidence-based research in pharmacopoeial standards and regulatory decision-making
- Provide practical guidance on journal selection and manuscript submission

KEY OUTCOMES

- Develop well-structured manuscripts from pharmacovigilance and pharmacopoeial data
- Understand the role of scientific publications in strengthening drug safety and quality standards
- Select appropriate journals and navigate the submission and peer-review process
- Ensure data integrity in scientific documentation
- Identify reputable and high-impact scientific journals

ABOUT THE WORKSHOP

- Enhance participants' capacity to effectively document, publish, and disseminate scientific research
- Promote quality scientific writing, ethical publication practices, and strategic journal selection
- Strengthen the evidence base for establishing medicine quality standards, supporting regulatory decision-making, and improving drug safety monitoring systems
