

SOCIAL DEVELOPMENT FEDERATION

The Social Development Federation (SDF) is a non-government, non-profit organization based in Agra, Uttar Pradesh, India. It is dedicated to social development through initiatives in education, healthcare awareness, library services, psychological counseling, and advocacy for youth, women, and marginalized communities. SDF promotes emerging global knowledge and regularly organizes webinars, talks, seminars, and workshops across diverse fields. It has also published numerous works in areas such as religion, digital transformation, information science, computer science, and social science. During the COVID-19 pandemic, SDF provided both online and offline counseling and conducted awareness programs on health education, human rights, cyber security, and digital literacy to support communities worldwide.
